

SPLIT

3 nights INCENTIVE

The people of Split take great pride in proclaiming their city to be the most beautiful in the world and with good reason. Once the centre of the Roman empire, the warm Mediterranean tempo of this lively city fuses seamlessly with its 1,700 year old history and walking its medieval streets you can almost sense the ghosts of Roman traders rub shoulders with its cosmopolitan people

Day One: Splendid Split

Arrival at Split Airport and transfer to a fortified renaissance water-mill for welcome aperitifs and snacks while serenaded

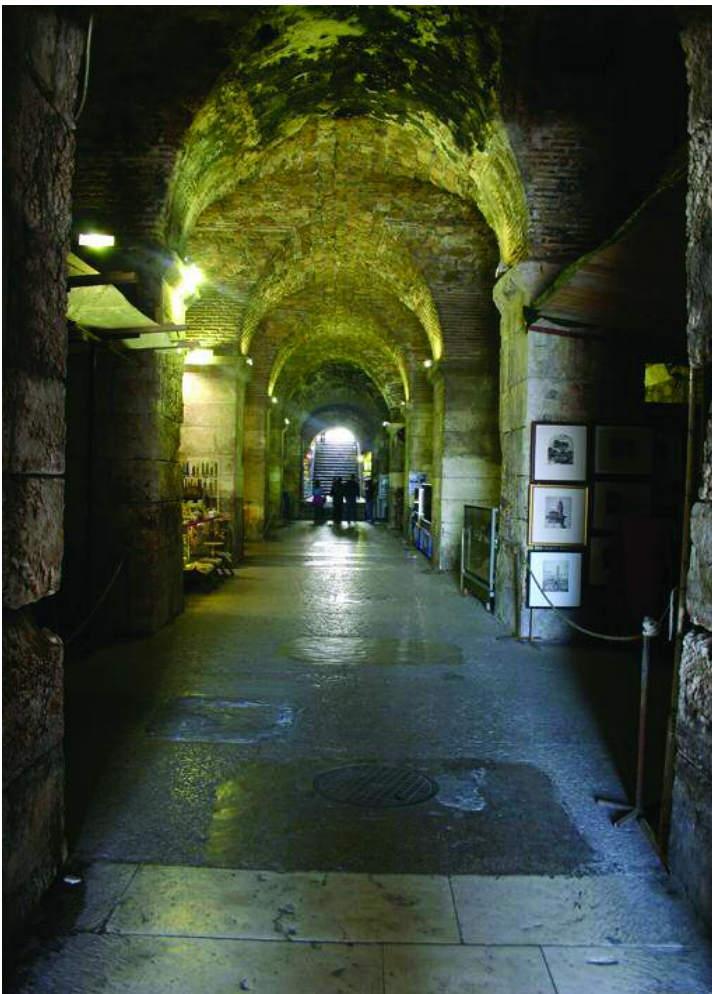

by Dalmatian musicians. Set sail on a traditional Dalmatian boat for a leisurely 35 minute cruise along the sandy coastline to the city's palm lined harbour. Meander through the Old City alleyways lined with Roman structures to the hotel of choice. Later gather for dinner in restaurant Spalatin whose Prokurative Place setting lends itself to a perfect historical stage for many cultural events.

Day Two: Discover Diocletian Split

Prepare to explore the tangle of marble streets that make up the Old City escorted by a licensed guide brimming with tales

of Roman Emperor Diocletian, how he build his imposing palace, the way he lived. Visit the Diocletian's Cellars, the Cathedral, crypt and Jupiter's Temple. Stop for a Roman inspired snack at the Diocletian cellars served with honey liqueur, the nectar of the Gods. Lunch in local restaurant Apetit, then spice up the afternoon with a bicycle ride round the city's sights.

The rustic setting of Enoteka Terra plays host to a tutored wine tasting of Croatia's renowned wines before dinner while the glitzy Hemingway Bar beckons the more energetic afterwards.

Day Three: Hello Hvar

Depart by speedboats to the magnificent island of Hvar. Spanjol fortress is the ideal stop for welcome drinks, its hilltop setting boasting spectacular views of the Old City's white stone promenades and fishing boats in the picturesque harbour. Embark on a maritime adventure along the pristine coves of the rugged coastline, stopping for BBQ lunch at the Pakleni Islands. Afternoon at leisure to swim in the sapphire blue waters and sip cocktails at the Stipanska beach lounge before returning to Split.

As your time in Split draws to a close enjoy a spectacular farewell dinner in exclusive Vila Dalmacija, once a lavish home of former Yugoslav President Tito.

Day Four:

Leisure time and airport departures.
